

Maths Tutor (£15 per hour)

Required for asap

Sidney Stringer Academy in Coventry is part of a trust, consisting of five schools led by Sidney Stringer Academy. We are an outstanding school, with an excellent reputation within the Hillfields community and beyond. In addition to this, we are the lead school of the Coventry SCITT, an institution that trains graduates with their initial teacher training.

We are looking to employ a one-to-one maths tutor in order to support our students sitting GCSE qualifications in mathematics. Potential candidates should be a maths undergraduate or graduate who can work one-to-one with students. A suitable candidate would be one who is confident but supportive and is able to identify misconceptions in a student's work and clearly explain how to correct them. The one-to-one tutorials would mostly be focused on passing GCSE mathematics.

The successful candidate will be dynamic, innovative and well-organised with high aspirations for the students that you teach. You will be committed to student success and passionate about innovative teaching and learning.

If you would like further information or to discuss the post in more detail then please contact

Anna Ford (Vice Principal) - aford.staff@sidneystringeracademy.org.uk

How to apply

For further details, an application form, and to apply, please visit our website:

www.sidneystringeracademy.org.uk - 'Vacancies Page'
