

Teacher of Science (MPS)

Required for April or September 2018

TLR available for the right candidate.

We are seeking to appoint an outstanding Science Teacher to work at Ernesford Grange Community Academy. Ideally we would like a Chemistry or Physics specialist but we welcome applications from all Science subject teachers.

You will be employed by the Multi Academy Trust which consists of five schools led by Sidney Stringer Academy. We welcome applications for full time or part time teachers and NQT's are welcome to apply.

Results in Science improved considerably this summer and you will be joining a department with a strong team ethos and one with excellent resources and support in place. Although the school was placed in special measures at the end of 2016 there have been significant improvements which were recognised in the last Ofsted monitoring visit.

The department is supported by two technicians as well as a number of learning support assistants in class.

If you would like further information or to discuss the post in more detail then please contact Helen Nicholls - hnicholls@egacademy.org.uk

If you are ambitious for yourself and want to be part of a great team at this really exciting time then we would like to meet you.
