The RO will be an appropriately qualified and experienced individual (but not an employee of the Academy) with the necessary financial skills to be able to perform the role competently. The remit of the RO is to provide an independent oversight of the Academy's financial affairs, reporting to the Committee in an advisory capacity.

The main duties of the RO are to provide Directors with ongoing independent assurance that:

- the financial responsibilities of the Trust are being properly discharged;
- resources are being managed in an efficient, economical and effective manner; and
- sound systems of internal financial control are being maintained.

A specific programme of checks to be performed will be agreed with Directors and will include checks on bank reconciliations, orders, payroll documentation, delivery notes, invoices and returns to the DCSF to ensure that the information supplied is consistent with the Academy's accounting records. After each checking session, the RO will provide Directors with a written report.

The Responsible Officer is named as Barry Hastie.
