CEO MESSAGE 2024

A Happy Christmas To All!

@sidney_mat

Welcome to our MAT Christmas Newsletter!

It gives me great pleasure to share the 2nd Edition of our MAT Newsletter. It is full of good news stories such as an ex-Stringer student, Gabriel Moses, designing the Brit Award this year! Wow! To news about trips, university workshops, sporting success, bonfire and Christmas celebrations, castle visits, building a sports car (another wow!), and saying happy retirement to two long-serving members of staff from Ernesford Grange, Judy Toman and Helen Nicholls who have both been at Ernesford collectively for over 50 years! Thank you to both of them for their long service and dedication to the Ernesford community and we wish them both a very happy retirement.

Thank you also for the hard work from the students, staff, parents, governors, and the wider community for all your support this year. We have achieved a lot this year and I am very proud of everyone who has contributed towards these successes.

Have a very Happy Christmas and a Happy New Year.

Claire Turpin
CEO Of Sidney Stringer MAT

LET'S DIVE INTO CHRISTMAS...

It's been an amazing end to the year!

RIVERBANK ACADEMY

*We are a caring, creative, and
motivated school where
safeguarding is our top priority.*

@RiverbankAc

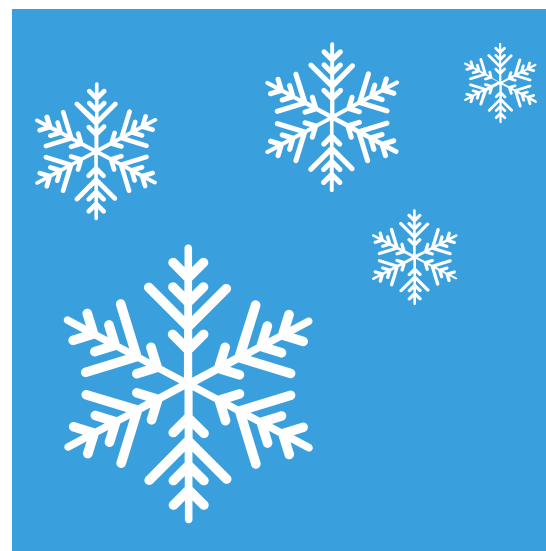

Performing Arts Club:

Recently, we have had 50 pupils attending our after-school clubs ranging from forest school to music! We have also introduced a new after school **Performing Arts Club** which is proving to be very popular!!

Immersive Technology Trip:

Atlantic class had an inspirational trip to Coventry University this term to learn and sample immersive technologies as part of their employability curriculum. During their visit, they worked in the labs and explored motion sensor and dolby digital technologies!

Elf Day Highlights:

This half term, our students and staff came together to take part in Elf Day to help raise money and awareness for the Alzheimer's Society. It was a wonderful opportunity for our school community to unite for a great cause, filled with fun, laughter, and positivity. From creative costumes to enthusiastic participation, the day was a huge success. A heartfelt thank you to all our staff, students, and families who contributed and showed their support for this important charity!

SIDNEY STRINGER ACADEMY

A Year of Success and Growth

@SIDNEYSTRINGERA

SIDNEY STRINGER ACADEMY

Year 7 Dodgeball Success: Values and Victory!

In November, some of our brilliant Year 7 Sidney Stringer students proudly participated in the Level 2 Dodgeball Values Games, showcasing not only their athletic skills but also their strong sportsmanship. Unlike traditional competitions, this event placed a special emphasis on values, with each team being awarded a score out of 15 by their opponents based on their honesty, respect, and teamwork. Our team performed exceptionally well, demonstrating impressive teamwork and a positive attitude throughout the matches. Their hard work and dedication paid off as they emerged victorious and earned a spot as one of only two Coventry schools to qualify for the national final! A huge congratulations to our students for their fantastic achievement!

Eco Club Shines at Youth Energy Summit!

In November, students from our Eco Club participated in the Accelerate Youth Energy Summit at the CBS arena joining with nearly 400 other young people in the event, led by arts charity Highly Sprung Performance. Our Eco Club meet regularly at lunch and are currently responsible for driving initiatives such as 'Cut Your Carbon'. The very active group regularly presents their work, research and activities in whole year group assemblies as is one of our most popular enrichment clubs.

SIDNEY STRINGER ACADEMY

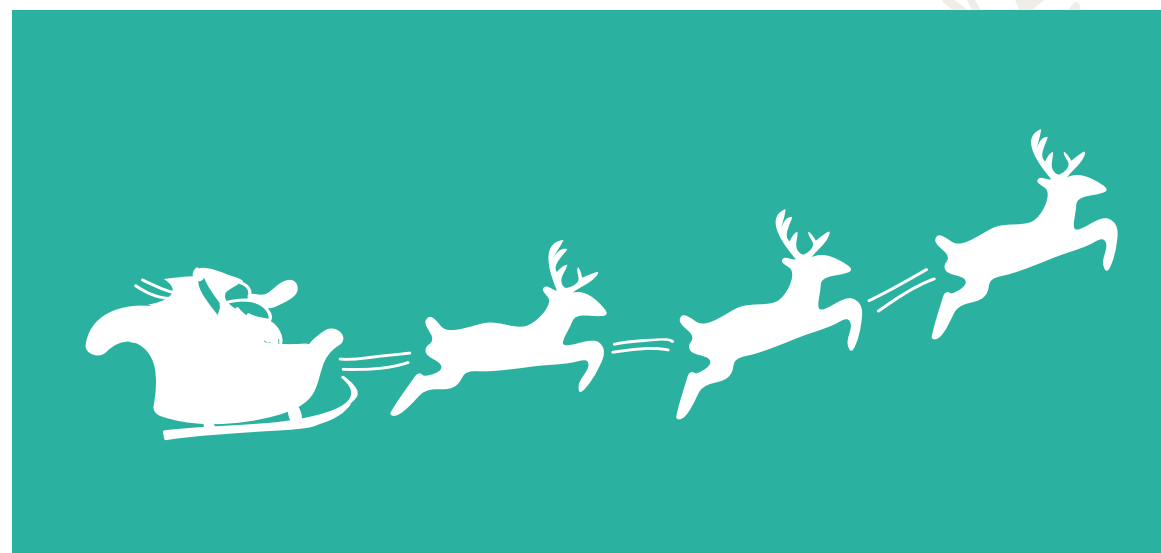

Sidney Stringer Textiles Exhibition Shines at LTB Showrooms!

This month, our talented students have been proudly showcasing their exceptional Textiles work at the LTB Showrooms in the city centre. The exhibition highlights the creativity, our students, offering a glimpse into the high standard of artistry and innovation at Sidney Stringer. The display will continue over the Christmas period and into the New Year, providing a wonderful opportunity for families, friends, and members of the community to visit and appreciate these outstanding contributions. We are incredibly proud of our students' achievements and encourage everyone to go along and celebrate their fantastic work!

December Celebrations: Honoring Achievements and Enrichment Fun!

In December, there have been lots of celebration activities including our celebration assemblies showcasing students who represent our DRIVE values as well as enrichment activities such as the **Gingerbread Bake Off** below.

SIDNEY STRINGER ACADEMY

Sidney Stringer
Academy

Gabriel Moses to Design 2025 Brit Award Trophy

It is with great pride we share the news that Gabriel Moses was commissioned to design the 2025 Brit Award. Gabriel is a well-remembered ex-student at Sidney Stringer who works as a multi-disciplinary artist and has collaborated with many famous names and faces including Beyonce and designers like Burberry. Previous trophy designers include the likes of Dame Vivienne Westwood and Sir David Adjaye. Gabriel visited the Academy last year to share the good news with his former teacher, Mrs Lines, and we are all so impressed with his talent and the final design.

Honoring Our Heroes: Remembering Hamza Alrimi and Salman Ahmed.

In December, Year 11 students participated in the 3rd Alrimi cup memorial football match in memory of our much missed student, **Hamza Alrimi**, who passed away in December 2022. As in previous matches, Hamza's father refereed the game and many students wore their memorial T Shirts from the first time they came together to remember Hamza in this way. The match was played with the same integrity, commitment and kindness that Hamza embodied.

This half term, we also commemorated the life of our 16+ student **Salman Ahmed** who sadly lost his life in a road traffic accident earlier this year. Salman was also a much loved member of our school community and was known for his bubbly personality. The money raised (over £1,000) in his memory by the school community has been donated to Islamic Relief in his name.

Radford
PRIMARY ACADEMY

RADFORD PRIMARY ACADEMY

We have had a busy start to the year at Radford, we have organised some very successful trips and experiences, here are a few in-school activities the children have particularly enjoyed.

@RadfordAcademy

RADFORD PRIMARY ACADEMY

Liquid Nitrogen Workshop at Warwick University!

The students undertook a Liquid Nitrogen Workshop delivered by the Physics Department at Warwick University. This workshop offered students a thrilling, hands-on introduction to the wonders of science. By observing the effects of extreme temperatures and learning about states of matter, condensation, and evaporation, students experienced science beyond the classroom in a way that was both educational and exciting.

Ancient Experiences!

Another engaging experience was an Ancient **Greek Drama Workshop** led by a talented actor and historian. Through interactive storytelling and role-playing, students learned about the lives, legends, and values of Ancient Greece. This immersive approach brought history to life, allowing students to explore the rich culture and history of this ancient civilization in a way that felt personal and captivating.

Finally, we recently hosted a '**Mr. Egypt Day**,' a day devoted to ancient Egyptian history. Students delved into the fascinating world of the pharaohs, learning about their customs, rituals, and ways of life. This hands-on day of exploration gave students a deeper understanding of how pharaohs were celebrated and the impressive achievements of ancient Egyptian civilization.

NORTH
POLE

Through these in-school experiences, our students gain an enriched understanding of diverse subjects, fostering both excitement and confidence in their learning journey.

Outstanding Enrichment Trips:

This term, our Year 3 and 4 students embarked on exciting school trips to Cadbury World and the Sea Life Centre in Birmingham. These trips provided the children with hands-on learning experiences that brought their lessons to life. At Cadbury World, they explored the fascinating world of chocolate making, while the Sea Life Centre offered an up-close encounter with marine life, sparking curiosity and wonder. The children returned to school brimming with enthusiasm, new knowledge, and a wealth of new vocabulary to enhance their writing lessons. These memorable experiences continue to inspire creativity and learning in the classroom!

RADFORD PRIMARY ACADEMY

Year 2 Shine at Coventry Cathedral Christingle Service!

Year 2 had a fantastic day at the Christingle service held at Coventry Cathedral. The children sang a beautiful festive song they had been practising in school, performing it for all the other schools who were also there. They were excited to take part in the lighting of the Christingle, which made the event even more special. During the service, the children learned all about the meaning of the Christingle. They found out that the orange represents the world, the red ribbon shows Jesus's love for everyone, and the four sweets stand for the four seasons. They listened carefully and enjoyed discovering the special symbolism behind each part of the Christingle.

Festive Panto Fun to Our Stage!

In December we had some very special guests perform a Panto on our stage. The children loved the interactive show and joined in with dances, 'he's-behind-you's and songs. We even managed to squeeze in some children from Sidney Stringer Primary.

Reception & Year 1 Shine in a Magical Nativity Performance!

Reception and Year 1 treated us to a truly amazing nativity show this week, performing for both the school and their parents. The children had been working hard for several weeks, practicing their songs, learning their lines, and perfecting their dances, and their efforts really paid off. They gave a fantastic performance that brought smiles to everyone watching. It was wonderful to see their confidence as they acted out the nativity story, sang festive songs, and danced beautifully on stage. Each child played their part brilliantly, and their teamwork and enthusiasm made the production extra special. A big well done to all the children for their hard work and dedication—you've done a brilliant job! A heartfelt thank you also goes to the staff who worked tirelessly behind the scenes to organize and rehearse this wonderful production. Your efforts made this event such a memorable experience for everyone involved.

@SidneyStringerA

Fostering Well-Being and Resilience at Radford!

At Radford, every year group, from Nursery to Year 6, engages in learning about both physical and mental health. Our curriculum focuses on building mental resilience, understanding emotions, and helping students develop essential skills to manage their well-being. A key focus is on encouraging habits that promote a happy, healthy, and balanced lifestyle, empowering children to take care of themselves both mentally and physically.

This term in PSHE, we have been exploring mental well-being and ways to cultivate happiness in daily life. As part of this, we studied the NHS's "5 Steps to Happy" campaign, which provides practical strategies for fostering positive mental health. After learning about each step, the children created thoughtful and creative posters to showcase their understanding, reflecting on small changes they could make to incorporate these steps into their lives. This activity inspired students to think proactively about their mental health and recognize that small, positive actions can have a significant impact on their overall well-being.

Sparklers & Stories: Bonfire Night Fun!

On 5th November, lots of children and their families came to 'Sparklers and Stories' to celebrate Bonfire Night. Everyone enjoyed a hot chocolate and some stories in the hall before going outside to use a sparkler. It was lovely to share such an exciting opportunity with all of our families.

Life in The Past!

Year 1 have been learning all about life in the past. They had an exciting visit from an old car. The children got to sit in the car, toot the horn and see how you had to use a starting handle to start the engine! The children enjoyed observing the difference between the old car and a modern car. They were staggered to find out that the old car did not have a boot!

SIDNEY STRINGER PRIMARY

Sidney Stringer
Primary

Kenilworth Castle Visit!

Year 2 have visited Kenilworth Castle as part of their topic about castles. They found out about what life was like in a castle during the Elizabethan era, had a tour of the castle, found out why the castle is in such a poor state, and found out about the time that Queen Elizabeth I visited. The children especially enjoyed finding out about the fact that Queen Elizabeth I did not want to make the long walk down the castle path from her carriage, so she demanded a gift for every step she took!

Remembrance Day!

To commemorate Remembrance Day, year 6 went to a memorial service at the Memorial Park. The children bought poppies from our student leadership team, ready to donate the money to the Poppy Appeal. The children all behaved very respectfully and understood the significance and serious nature of the event. There was a wreath laying ceremony and a minute's silence.

Student Leaders Shine at Stringer Primary!

In December, Year 11 students participated in the 3rd Alrimi cup memorial football match in memory of our much missed student, **Hamza Alrimi**, who passed away in December 2022. As in previous matches, Hamza's father refereed the game and many students wore their memorial T Shirts from the first time they came together to remember Hamza in this way. The match was played with the same integrity, commitment and kindness that Hamza embodied.

This half term, we also commemorated the life of our 16+ student **Salman Ahmed** who sadly lost his life in a road traffic accident earlier this year. Shine Star, Shine!

The Reception and Year 1 children put on a truly wonderful Christmas production titled 'Shine Star, Shine!'. The performance was a magical celebration of the festive season, showcasing the incredible talent, hard work, and enthusiasm of our young stars. Every child sang beautifully, filling the room with joy, and delivered their lines with impressive confidence and pride.

The smiles on their faces and the applause from the audience reflected how much they enjoyed performing and how memorable the event was for all who attended. A huge thank you goes to the dedicated staff who worked tirelessly to organise and support this fantastic production. Their efforts ensured a seamless experience for the children and their families. Good Job Everyone!

SIDNEY STRINGER PRIMARY

**Sidney Stringer
Primary**

Year 2 Celebrate Christingle Service at the Cathedral!

Year 2 went to a lovely Christingle service at the Cathedral. The children sang one of their newly learnt festive songs to all of the other schools in attendance, and took part in lighting the christingle. They learnt all about the meaning behind the christingle, finding out that the orange represented the world, the red ribbon represents the love of Jesus, and the 4 sweeties represent the 4 seasons. Finally, they came back to school to make their very own christingle.

School Choir Delights UHCW with Festive Performance

UHCW staff, patients and visitors were treated to a lovely performance of festive songs from members of our school choirs! We were invited to perform in the main hospital foyer as part of the hospital's Christmas Music Week, raising money for hospital charities. The choir sang superbly, and with a huge amount of enthusiasm! There were some lovely comments afterwards from people who had been listening. One lady even ran to the hospital shop to buy some sweets for the children! Well done to everyone who took part. Our regular choir rehearsals are on Mondays and Thursdays and we currently have around 70 children rehearsing each week with Mrs Larkin (KS1 choir) and Miss Morgan (KS2 choir).

ERNESFORD GRANGE COMMUNITY ACADEMY

Striving to achieve excellence for all of our young people.

@EGCS1973

Celebrating the Retirement of Mrs Judy Toman

After 27 incredible years at Ernesford Grange, we say farewell to the amazing Mrs Judy Toman as she embarks on her retirement. Judy has been a cornerstone of our school, contributing in countless ways across various roles before truly making her mark as Head of Triumph House. Her influence, leadership, and dedication will be deeply missed by all.

Under Judy's passionate guidance, Triumph House has grown into a powerhouse, consistently leading the way in the House League for positive points. Her unwavering commitment to her house's success, combined with her fair but firm approach, earned her the much-loved nickname The Tominator. Students and staff alike admired her ability to inspire excellence while fostering a sense of belonging and pride in Triumph.

Judy is not only a dedicated professional but also a trusted friend and confidant to many. Her warmth, loyalty, and good humour have left an indelible mark on our school. Thankfully, this isn't goodbye entirely, as Judy will remain part of the EG family, helping Mr Kobrin and the team with the exciting Build a Car project.

We wish Judy every happiness as she begins this new chapter of her life. Her legacy at Ernesford will remain strong, and we are grateful for the passion and energy she has poured into her time with us. Congratulations, Judy, and enjoy all the adventures your retirement brings!

Retirement Announcement: Mrs Helen Nicholls

It is with a mixture of gratitude and sadness that we announce the retirement of Mrs Helen Nicholls, formerly known as Miss Noble. Helen has been an integral part of Ernesford for many years, first as a dedicated science teacher and later as a Deputy Headteacher. Her impact on our school community has been nothing short of extraordinary.

Helen exemplifies what it means when we say "Proud to be Ernesford". A kind, generous, and truly remarkable leader, she has always put the needs of others first. She has supported thousands of students, families and staff over the years, leaving an indelible mark on our wider community. As Head of Staff Wellbeing, she has been a constant source of care and warmth, ensuring that everyone at Ernesford felt supported and valued. Whether lending a listening ear, offering wise advice or simply being a steady presence, Helen's commitment to the wellbeing of others has been unparalleled.

And let's not forget Helen's culinary contributions! From her legendary buffets, chilli's and her delectable cakes, she's kept us not only motivated but also well-fed over the years. These gestures of kindness, both big and small, embody the very essence of her generous spirit.

Helen will be deeply missed, but we are certain this is not a goodbye. We look forward to seeing her around school in the future, continuing to be a cherished part of the Ernesford family. Thank you, Helen, for your outstanding service, leadership and care. We wish you a happy, healthy and fulfilling retirement – you've truly earned it!

EGCA - Build a Sports Car Project!

In September at Ernesford Grange, the students were introduced to the 'Build a Sports Car' Project. This project aims to encourage students to develop their teamwork abilities and will help them to familiarise themselves with a proper workshop environment.

The students in this project will be expected to strip the exterior of an MK1/2 MX5 (with an original weight of 1025kg) and then assemble the MEV Exocet Kit car and add it onto the car which then makes the car automatically a Sports Car (with an end weight of 675kg). To carry out this project, students have one-hour weekly sessions after school on Thursdays where they work on the car project.

During this experience, the students will gain extra opportunities from this project as it offers an alternative curriculum with qualifications such as ASDAN / Prince's Trust & there are broader experiences for students with trips such as an MEV Kit Manufacturer in Gloucester, powder coating of donor parts, Gaz Factory where shocks are made and attending motor shows at the NEC.

What we aim to achieve by the end of this project is more experience for students, such as the qualifications they gain from this opportunity which will encourage them to consider this field of work when they become adults or are choosing their GCSE options.

EGCA - Build a Sports Car Project! What Exactly Happened? - The Weekly Highlights:

Week 1 (26th September 2024):

Students began by constructing a workbench for the garage, painting CLS wood and varnishing plywood to prepare it for use. They were introduced to the project car – a rusted Mazda MX5 – and discussed plans to transform it into a sports car.

Week 2 (3rd October 2024):

Work continued on the workbench, with teams cutting and varnishing wood. The Racing Simulator, built by the DT department, was showcased at Open Evening, attracting 21 participants and generating excitement for the project.

Week 3 (17th October 2024):

Teams began stripping the car, removing seats, bonnet, boot, and doors. Plans were made to rotate teams each half-term and run a virtual racing club at lunchtimes to fundraise and include more students.

Week 4 (24th October 2024):

Students painted the garage walls with water sealant and cleaned the subframes. Generous contributions boosted the GoFundMe to £470. Over the break, staff and students made significant progress dismantling the car, removing wiring, the dashboard, and radiator. A £500 donation from ex-student James Aitken, now an automotive engineer, supported the project.

@EGCS1973

Week 6 (7th November 2024):

Students continued stripping the car, cleaning the remains, and upgrading the workshop with a new shelf. The GoFundMe reached £1,220.

Week 7 (21st November 2024):

The MX5 shell was stripped and removed, ready for disposal with sponsor 'Scrap My Car Coventry.' Dana Incorporated joined as a sponsor with a £500 donation, raising the total to £1,790.

Week 8 (28th November 2024):

The MEV Exocet kit car chassis and parts were delivered. Students were amazed by its light weight, 400kg less than the MX5. A competition to guess the old shell's weight ended with Ibrahim's winning guess of 350kg (actual weight: 360kg).

WOODFIELD SCHOOL

*We are committed to become a beacon

@1woodfield1

Students Enjoy 'Jack & the Beanstalk' Pantomime Trip

We had the pleasure of taking 25 pupils to see the Jack and the Beanstalk pantomime, a trip made possible thanks to the generous support of The Coventry Freeman's Committee. The performance was full of fun, laughter, and excitement, and it was truly heartwarming to see our pupils so engaged and thoroughly enjoying themselves. The experience created lasting memories, and we are incredibly grateful for the opportunity to share such a magical event with them.

Wild Passport!

The performance was full of fun, laughter, and excitement, and it was truly heartwarming to see our pupils so engaged and thoroughly enjoying themselves. The experience created lasting memories, and we are incredibly grateful for the opportunity to share such a magical event with them.

WOODFIELD PRIMARY

Woodfield Raises Funds with Festive Activities!

With Christmas just around the corner, Woodfield school wanted to give back. Maple class started a car wash service to help raise much needed funds for Cash For Kids and were able to raise well over £50 which will go to much needed families all over the Midlands.

Hawthorn class are doing a guess the name of the Teddy event, the children in Cedar class took part in a sponsored climb and Beech class did a cake sale (which all the children loved!). As the majority of Sycamore are football mad we thought the best idea was to see if anyone could beat us in a football match. It was £2 to enter and if parents would like to watch it was £2 to watch. We hosted three matches, the first was against Maple class which we drew 1-1, the second was against Beech class which we won 5-0 and the third was against the teachers which we lost 4-3 (controversial due to cheating)! The boys did amazing setting up the pitches and playing in front of classmates and parents. In the end we raised £100!.

Woodlands Students Mentor Stoneleigh Road Peers!

Students from Woodlands have been taking part in a mentoring programme for Stoneleigh Road students.

Dot, the Outdoor Education teacher describes one such session- "He really showed how Woodfield students can show respect to staff and other students. EHS put in a lot of effort helping the students with an activity. He also encouraged ambition with the students by talking about how he is a student at Woodfield Woodlands site, and how he attended the primary site before moving up. EHS was talking to the 6y students about positives at the secondary site if they attend there in the future. Both groups of students enjoyed the day and asked for follow up sessions.

Well Done!"

Woodfield Football: 8-3 Win Against Solihull!

We played a Woodfield (WLS) football match today (28th November) at home against a very good team from Solihull. The lads have been on the end of some losses recently, but with a couple of new additions, and a great attitude and commitment we secured a well deserved win. 8-3. No man of the match today as everyone played their part. Well done Woodfield .

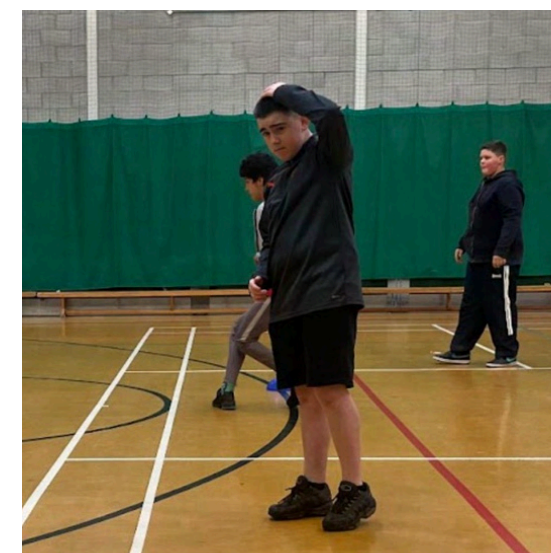

Regards Joe, Richard, Roderick and Liam

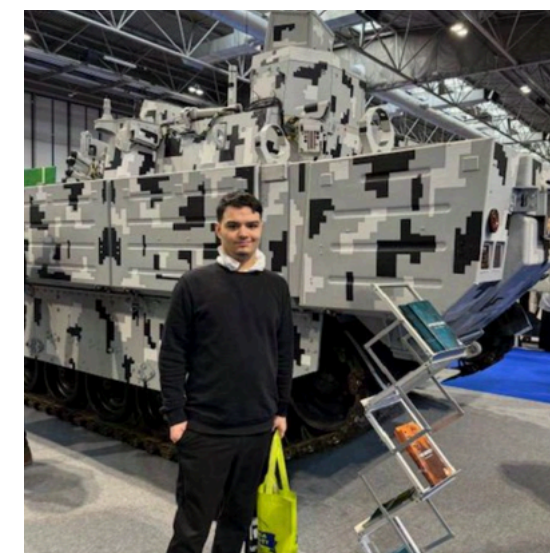

Woodfield Students Excel in Sports Leadership and Mentoring!

Woodfield students have been showing off their sports leadership skills this term at Woodfield. Students from Hawthorn Lane have been mentoring younger students at the Stoneleigh Road site as part of their Cambridge National Sport course with the eventual aim of delivering a PE lesson later in the term. Less formally, the Year 11 boys in HD have been showing students from Woodlands how to use the gym equipment safely. There are also a few pictures below from the after school 'Boxkwondo' sessions, which are very popular with the students from Hawthorn Lane and Woodlands.

Key Stage 4 Students Explore Future Careers at NEC Event!

In November, Key Stage 4 pupils attended the National Careers event at the NEC. They enjoyed talking to the people on the stalls about potential jobs and apprenticeships and collecting the free memorabilia.

Year 9 Bring 'A Christmas Carol' to Life with Birmingham REP Theatre Trip

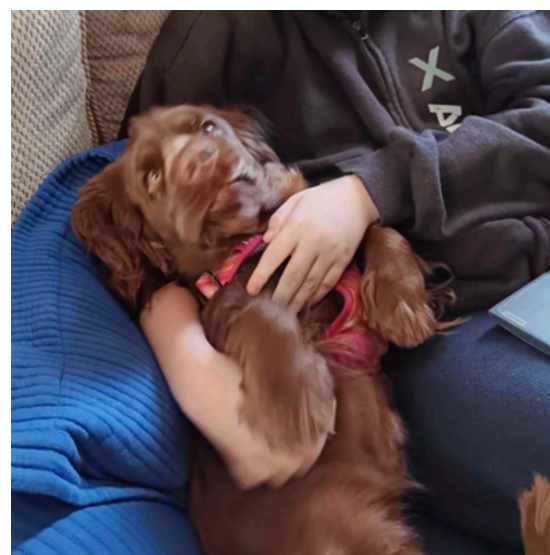

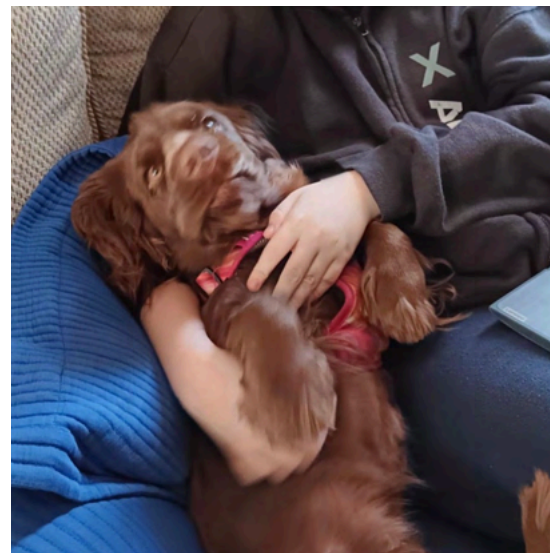

This half-term our year 9 students have been studying a Christmas Carol. To Bring this to life we visited the REP theatre in Birmingham to watch a production of the Novella. The performance told the story of Ebeneza Scrooge, a mean-spirited miser who has an unexpected visit from the spirit of his former business partner Jacob Marley. Bound in chains as punishment for a lifetime of greed, the unearthly figure explains it isn't too late for Scrooge to change his miserly ways to escape the same fate, but first, he'll have to face three more eerie spirits.

Our students were engrossed in the story right from the beginning. The lighting and effects were incredible. We could not have been more proud of our students who engaged so well on the trip and were a pleasure to be around.

Focus on Hf Class - Woodfield Hawthorn Lane!

This term we have welcomed new students who have moved up from Woodlands, and a new tutor to our class. We have spent time settling into a different routine, and making the class area our own. It has been a bit of change for some, but all our students have enjoyed the extra space we have. Students have a personalised zone to call their own, and the opportunity to be more independent with a kitchenette for breakfast and break time. They really take care of each other by making tea and helping to clear up at the end of the day. Students are encouraged to take responsibilities within our class area, such as dog minder, attendance monitor and ICT/hovering guru. We enjoy a family-style lunch around the table with friends from other classes.

Our favourite food to cook in food tech was pizza! Who doesn't love homemade pizza? Top tips from the chefs in Hf are to knead the dough well, add a stuffed cheese crust, and use grated cheddar cheese for a delicious topping.

Noodles is our class dog. She is here two days a week, has a new cosy bed and blanket next to the radiator, a treat jar and toys which she has taught the students to retrieve for her. She loves a cuddle on the sofa when students have finished all their work, and helps with interventions if she has time in her busy school schedule.

We are looking forward to a theatre visit before Christmas, making decorations for the community Christmas tree at the local shops before a well deserved break in a few weeks' time.

Woodfield's Festive Parents Evening & Christmas Fayre Raises Record £600!

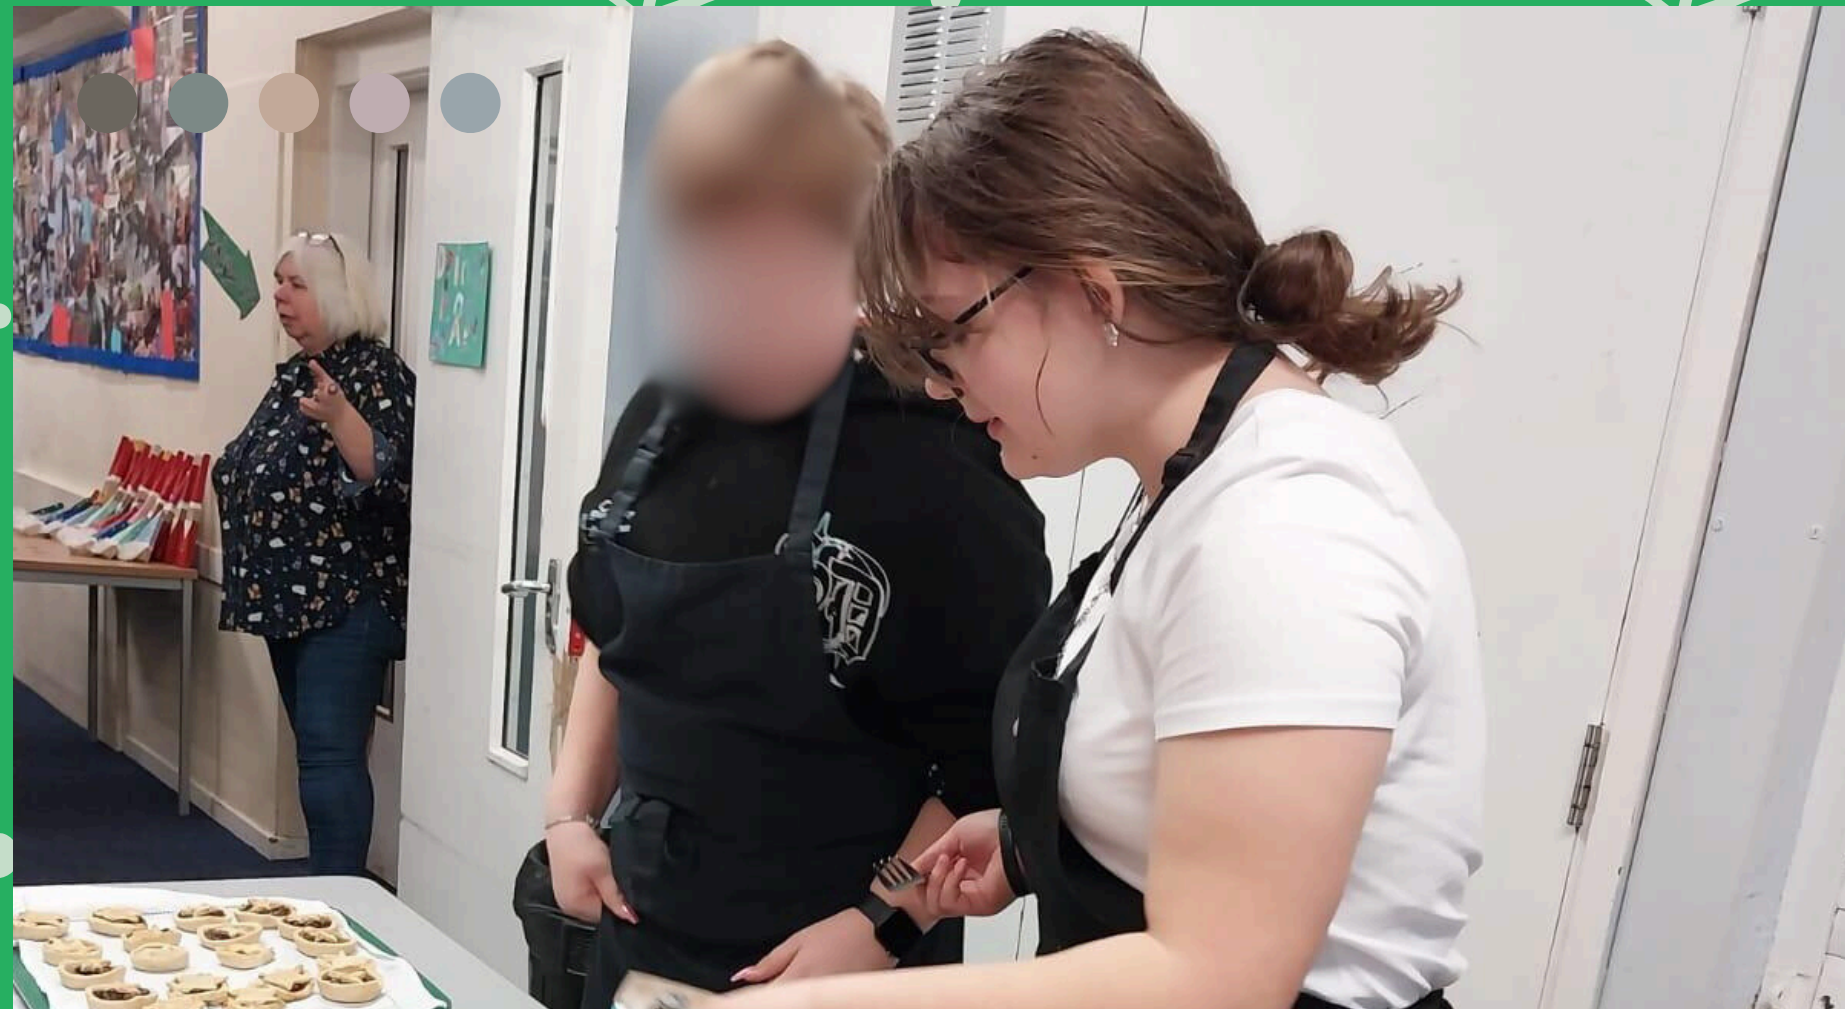

On the 11th of December the secondary site had a combined Parents Evening and Christmas Fayre.. It was amazing to see such a great turnout of our young people and their families, all of whom were so excited to see their Woodfield family and join in with the Christmas spirit! Not only were there stalls selling Christmas Crafts and food, there were also lots of games and competitions in which to take part and even visits from Santa, the Grinch and an Elf - all helped along by our resident DJ, Mr Brown. A huge 'Well done' to Ms Harris and Ms Atkins who pulled off what was definitely the most impressive event held at Hawthorn Lane ever!

Ms Harris said "Too many people to thank individually,(a big thank you to my team of helpers), so a huge 'thank you' to everyone for making the event a great success.It was so lovely to see so many happy faces and a great turn out.' It's events like this that remind us all how special Woodfield and its community really is. Woodfield pride at its finest! At the last count, we have managed to raise a record amount of nearly £600 towards the school.

Merry Christmas Everybody!

WOODFIELD PRIMARY

Building Positive Connections with West Midlands Police!

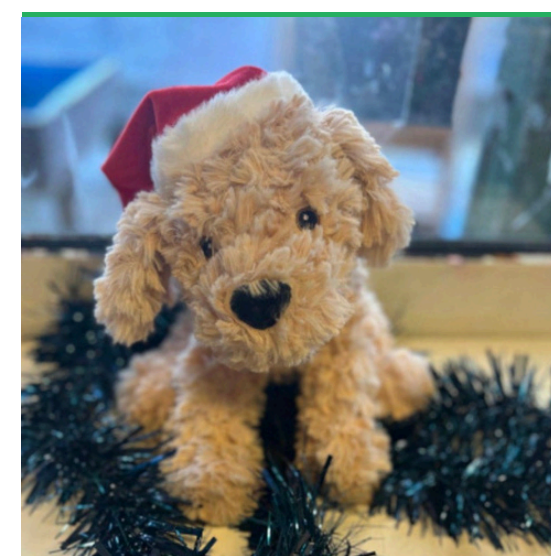

We have had the pleasure of working closely with West Midlands Police this term and having regular visits from Adam a P.C.S.O. Adam has been educating our children about crime and came to Woodfield during National hate crime week to talk about derogatory language with the Sky Blues. The children have enjoyed their sessions with the PCSO's and LOVED getting to try on the uniform and handcuffs. Adam will be back with us in January to run the junior P.C.S.O programme with some of our older pupils.

Winter Wonderland!

We had the loveliest Christmas event with our parents and pupils. 2 of our wonderful staff members had arranged stalls, refreshments and decorations. One of our talented year 7's also did an amazing DJ set for the event.

Merry Christmas Everybody!

Merry Christmas
